Dear Sir:

CITY OF EL SEGUNDO - "IMPERIAL
STRIP TERRITORY" ANNEXATION -
SUPPLEMENTAL INFORMATION

Supplementing our report to you of December 28, 1959, in which we reported the annexation of "Imperial Strip Territory" to the City of El Segundo, we wish to add the following:

The tabulation of automatic effects on special districts by this annexation, which was enclosed, stated incorrectly, that the Metropolitan Water District was not affected. This territory was automatically withdrawn from the district (due to its being detached from the City of Los Angeles).

The territory will probably be re-annexed to the Metropolitan Water District (through West Basin Municipal Water District) prior to February 1, 1961. However, we have been informed by our County Assessor that at least for the 1960 roll, this territory will be subject to an indebtedness levy, (ILO) to be designated:

METROPOLITAN WATER DISTRICT - EL SEGUNDO INNEE I.L.O.-IMPERIAL STRIP

We enclose a corrected tabulation sheet for this annexation.

El Segundo Plans to Annex Imperial Strip

EL SEGUNDO — The Imperial strip, between old and new Imperial Highway, which has been de-annexed by the city of Los Angeles, eventually will be annexed to El Segundo, according to City Manager John Sailors.

"I will make a report on the strip to the City Council tomorrow," Sailors said, "and by that time should have the facts on what action is necessary." Sailors said, "At this point I am not sure whether we will have to wait until the de-annexation is recorded, but we are looking forward to incorporating the area within our city limits."

Sailors pointed out the area runs from a point to 200 ft. deep in some parts.

"When we annex it, the property will be taken in under the Uninhabited Act," he claimed.

"We're particularly anxious to take the land over

because we want to improve it by planting trees and shrubs which will act as a cushion to soften the International Airport noise," Sailors said.

He also reported El Segundo will try to develop some revenue producing parking lots which will contribute money toward the cost of beautifying the area.

Councilman L. E. Timberlake said that the area which El Segundo plans to annex, now is an eyesore.

"By turning it over to El Segundo, it can become a credit to the community."
